

Manufacturer's Certification Statement

2250 East 33rd Street • Erie, PA 16510 • 800-458-2244

Issued June 8, 2009

Congratulations on your decision to invest in high quality thermally efficient Seaway products! Seaway is proud to have been an Energy Star partner since 2001, producing superior quality, energy-efficient home improvement products. The recent amendments to Sect. 25 of the Internal Revenue Code, enacted by The American Recovery and Reinvestment Act of 2009, extend tax credits of 30% of the product cost, up to \$1,500, for the purchase of qualified thermally efficient products.

This Manufacturer's Certification Statement can be relied on by you, the taxpayer, for verification that certain **Seaway EntryPride Doors** are eligible for the 2009 Energy Tax Credit. As stated in the IRS guidelines, Seaway Mfg. has determined that the new construction or wood frame EntryPride doors styles highlighted below are Eligible Building Envelope Components, which qualify for a Federal Tax Credit allowed under Section 25C.

Those doors marked "Yes" under those dates above meet or exceed the new construction or replacement door IECC Fenestration Requirements by Climate Zone: Zone 3, Zone 4, Zone 5 and Marine 4, Zone 6

Please consult your tax advisor for specifics on eligibility and claiming the Energy Tax Credit, and keep this Manufacturer's Certification Statement with your Seaway window and/or patio door receipt in your tax records as proof of the windows and/or patio doors' eligibility for the tax credit. Thank you for choosing Seaway's Entry Pride Doors.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
