

Features To Look For When Shopping For Your New Windows

	Seaway Ovation	The Other
UNWAVERING QUALITY & DEPENDABILITY		
Reliable, Reputable, Respected Manufacturer in business for fifty years	✓ Yes	
Seaway Manufacturing is an EnergyStar partner, and Seaway's Ovation windows have earned an EnergyStar qualification for all regions of the United States	✓ Yes	
Transferable, Lifetime Limited Warranty and Accidental Glass Breakage for peace of mind	✓ Yes	
UNSURPASSED STRENGTH & SECURITY		
Seaway's unique Uni-Tech Construction—A system of three interlocks, boasting superior energy efficiency and decreased air and water infiltration	✓ Yes	
Steel reinforcement in the meeting rail to stiffen the sashes and provide substantially higher levels of strength and resistance to bending than other non-composite reinforcers	✓ Yes	
Foam filled insulation in the multi-chamber uPVC sash and frame extrusions creates added insulation	✓ Yes	
Fusion welded master frame and sashes provide optimum strength at all corners and seals chambers to add to Ovation's insulation value	✓ Yes	
True Sloped Sill (not the snap-in type) eliminates weep holes that can clog and eventually leak	✓ Yes	
Locking Pivot Bars allow the sash to tilt while remaining secure in the frame	✓ Yes	
Two Vent Latches for added safety while still allowing ventilation	✓ Yes	
Fiberglass screen and extruded screen frame with metal stamped corners for added strength	✓ Yes	
Structural silicone glazing provides optimal strength by bonding the glass completely to the sash frame	✓ Yes	
SUPERIOR PERFORMANCE & DURABILITY		
Seaway's distinctive constant force balance system provides effortless window operation	✓ Yes	
Triple Weather Stripping for a weather tight fit between the sashes and frame	✓ Yes	
7/8" insulated glass with "warm edge" glazing, with other optional high performance glass packages available	✓ Yes	
Sashes Tilt In for Easy Cleaning	✓ Yes	
Seaway's exclusive Uni-Tilt Latch & Lock System, an all-in-one system that incorporates bolt action tilt latches into a stream-lined lock for both ease of operation and unparalleled security	✓ Yes	
NFRC certified-performance and quality you can depend on	✓ Yes	
AAMA 101 tested: outperforms the requirements with a residential DP-50 rating to withstand even the harshest weather	✓ Yes	
UNIQUE CONTOURED DESIGN		
The finest "fit and finish" in the industry and the workmanship of Seaway's glazing bead offers clean sight lines, adds incredible aesthetic value, and leaves no grooves for accumulation of grime, dirt, or mold	✓ Yes	
Cream White—"The Right White"—the luxurious look of freshly painted wood	✓ Yes	
Seaway's Ovation is offered in 3 interior woodgrains and designer exterior coated colors to coordinate with any home	✓ Yes	
Seaway's unique contoured millwork exterior design on frame and sash lines, and contoured lift rail on the top and bottom for a sleek appearance	✓ Yes	
Optional SDLs (simulated divided lites) for authentic wood look or historical applications	✓ Yes
