Lighthouse

Casement and Awning Windows

Superior Strength

Unparalleled energy efficiency. A profile that will make your home even more attractive ... that's the unbeatable combination you'll get in Lighthouse Casement & Awning Windows from Seaway.

Lighthouse Casements are designed to offer maximum performance with minimal care, instantly increasing the value and curb appeal of your home, and rewarding your investment with years of energy efficiency and a transferable, limited lifetime warranty that even covers accidental glass breakage.

STRENGTH & PERFORMANCE

Groundbreaking design brings unique beauty, strength, and energy-saving performance to your home.

Energy Star Qualified and NFRC Certified for assurance of superior value.

Lifetime Limited Transferable Warranty, plus Lifetime Accidental Glass Breakage.

ENERGY EFFICIENCY

Triple Weather Seal – We call it a multi-step sash and frame with fin and bulb weather seals. You'll call it the best window you've ever had.

Insulated Glass Options – Warm or cold climate, lots of sun or none at all, you'll choose from an array of glass packages to get the one that's just right.

SCREENS

Contoured Screen – When was the last time a screen made a window look nicer? Right now, with the elegant, contoured screen design of the Lighthouse casement. And the screen snaps into place for a neater appearance ... no more fussing with clips or screws.

Strength – With an extruded aluminum frame and internal aluminum corner keys, the screen is designed to be as durable as the window itself.

SeaClear Screen – More light. Better airflow. Fewer bugs. Isn't that what a screen should do?

HARDWARE

Multi-Point Locking System – One control, multiple locks for reliable security and easy operation.

Internal Screens – Open the sash and let the air in ... you won't have to remove the screen.

Easy Cleaning – The Lighthouse hardware makes it simple to clean the outside glass from the inside.

Commander

Casement and Awning Windows

Commanding Views

Command over the outside elements. Seaway's Commander Casement and Awning windows offer you a lifetime of elegant appearance and energy efficiency. Seaway's Commander Series incorporates all the industry-leading features of the Lighthouse window and adds even more performance and energy enhancements.

Unrivaled beauty, operation and energy efficiency make Commander Casement and Awning Windows the right choice for your home, and for your family's comfort and security.

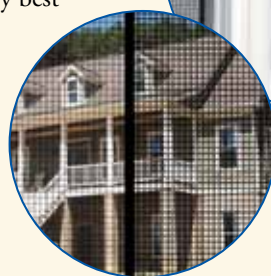

COMFORT & BEAUTY - ENERGY EFFICIENCY & SECURITY

Smart-ER high performance foam fill – Another barrier between you and the outside temperatures, for greater warmth and comfort.

Commodore Hardware System – So sleek you'll hardly know it's there, the flush design of the Commodore hardware makes your windows even more beautiful without sacrificing security.

Extended Glazing Pocket – The Commander's leading-edge design accepts a wide variety of insulated glass options, so you get the very best performance from your windows.

Ultra SeaClear Screens – Industry-leading light-transmittance, airflow and protection from insects.
