

Seaway reserves the right to discontinue or change the manufacture of any window or patio door. If the part or component of the window or patio door originally installed is not available, Seaway shall have the right to substitute a compatible part or component. Seaway does not warrant installation, nor defects caused by installation. This warranty covers only manufacturing defects and does not cover the cost of removal, installation, refinishing, pickup or delivery of defective or parts or products, or any other damages or material failure including, but not limited to, normal weathering of sash and main frame, screen and screen frame, oxidation, intentional damage, fire, flood, hail, lightning or other Acts of God, chemical pollutants, mildew, negligent maintenance, vandalism, misuse, fading, building settlement, structural defects, damage caused by foam insulating products or damage due to stress resulting from localized heat sources causing excessive temperature differentials over the glass surfaces or edges. This warranty does not apply if the window or patio door has been painted, varnished, or coated with any other substance.

Normal weathering may cause any surface to oxidize, chalk, or accumulate dirt or stain due to varying exposure to sunlight, weather, and atmospheric conditions over which Seaway has no control. Normal weathering is not covered under this warranty.

Condensation on windows or patio doors may occur as the natural result of humidity within the building area and changes in interior and/or exterior temperature, and does not indicate a defect in the window or patio door. This warranty does not cover condensation, frost, or freezing from condensation forming on the outside of the sealed glass unit.

Because this warranty was created to cover individual property owners(s) for the Original Property Owner's lifetime (human beings), this warranty, understandably, does not apply to windows or patio doors installed in property owned in whole or in part by corporations, governmental entities or agencies, religious organizations, trusts, condominiums or cooperative housing arrangements, intangible legal entities, or any other entity or organization capable of an infinite life. For such entities, the duration of the warranty is thirty (30) years pro-rated at the same schedule found in the Transfer of Warranty section of this warranty and is non-transferable.

No representative of Seaway has authority to change or modify this warranty in any respect unless the change or modification is in writing and signed by an officer of Seaway. The foregoing states the EXCLUSIVE REMEDY of the purchaser and the entire liability of Seaway. SEAWAY MANUFACTURING CORP., SHALL NOT BE LIABLE IN ANY EVENT FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE ARE LIMITED IN TIME TO THE DURATION OF THE EXPRESS WARRANTY SET FORTH ABOVE.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.
