

Seaway reserves the right to discontinue or change any window as manufactured. If the part or component of the window originally installed is not available, Seaway shall have the right to substitute a compatible part or component. Seaway does not warrant installation nor defects caused by installation. This warranty covers only manufacturing defects and does not cover the cost of removal, installation, refinishing, pickup or delivery of defective or replacement parts or products, or any other damages or material failure including, but not limited to, normal weathering of sash and main frame, screen and screen frame, oxidation, intentional damage, fire, flood, hail, lightning or other Acts of God, chemical pollutants, mildew, negligent maintenance, vandalism, misuse, fading, building settlement, structural defects, damage caused by foam insulating products or damage due to stress resulting from localized heat sources causing excessive temperature differentials over the glass surfaces or edges. This warranty does not apply if the window has been painted, varnished or coated with any other substance.

Normal weathering may cause any surface to oxidize, chalk, or accumulate dirt or stain due to varying exposure to sunlight, weather and atmospheric conditions over which Seaway has no control.

Condensation on windows may occur as the natural result of humidity within the building area and changes in interior and/or exterior temperature, and does not indicate a defect in the window. This warranty does not cover condensation, frost or freezing from condensation forming on the outside of the sealed glass unit.

No representative of Seaway has authority to change or modify this warranty in any respect unless the change or modification is in writing and signed by an officer of Seaway. ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE ARE LIMITED IN TIME TO THE DURATION OF THE EXPRESS WARRANTY ABOVE SET FORTH.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
